

PART A – INVITATION LETTER

Title of the contract Design and develop an AI-based assessment software platform to streamline and standardize the evaluation of impact potential for financial products.

Internal reference No. SFO/2025/OP/01/SF3.0.

Type of procedure Public invitation to proposals.

To all applicants

– Invitation to submit a proposal –

Dear Sir / Madame,

We intend to award the work described in the enclosed procurement documents.

Applicants shall submit their proposals in English by 8th February 2026, 23h59 (CET) via email.

Details of the submission requirements are explained in the enclosed document *Part B – Instructions*.

Please note that this is a public invitation to proposals and there will be no negotiations.

The documents presented in 4.3 of the document *Part B – Instructions* are to be submitted in their entirety.

Planned schedule for the rest of the procurement procedure is presented in the cover page of the document *Part B – Instructions*.

Yours sincerely,

Sustainable Finance Observatory
